**RE: CONNING OF FIRST YEAR STUDENTS**

---

The subject above refers;

It has come to our attention that a person purporting to be working for the University mobile number 0728740600 is out to con our first year KUCCPS students. This person is asking for students to send their parents mobile number and proceeds to ask for Kshs. 4,400 to book for them accommodation for next semester.

This is to let you know that;

- 1) Students should report to the Director, Security Services such people immediately for investigations.
- 2) **You should not** give your parents information or your personal information to strangers, always confirm such requests with the relevant offices in the University.
- 3) Those given accommodation in the 1<sup>st</sup> Semester 2019/2020 will retain their rooms in 2<sup>nd</sup> semester 2019/2020.
- 4) Do not pay anyone to secure a room. **The accommodation fees should be paid only into the Kenyatta University bank accounts and not via M-Pesa or any personal numbers.**

Thank you.
